Player story & goals

Hi Coaches! I'm Ella Moskal, a Class of 2029 softball recruit and honors student at The Governor's Academy. I'm a competitive, coachable, versatile, team-first student-athlete who plays MIF, OF, and RHP. I bring strong softball IQ, leadership, athleticism, work ethic, and mental toughness to every practice and game. I thrive in high-pressure situations and love competing when the game is on the line. I train at Planet FastPitch Varsity School in Uxbridge, MA, plus private 1-on-1 pitching lessons focused on command, velocity, mechanics, and pitch development. I also compete in field hockey and tennis. My goal is to keep developing as a complete player and earn the opportunity to play collegiate softball.
